Which of the following AaEA committee(s) would you like to serve on? *(Check all that apply)*

- Communications:** This committee is focused on internal and external communications among evaluators in the Atlanta area and beyond, including websites, listservs, newsletters, marketing materials, and e-mail exchanges.
- Finance:** This committee initially worked on structural issues for the AaEA such as by-laws & 501c3 status. Once a structure is in place the committee will be concerned with the financial solvency of the affiliate.
- Membership:** This committee focuses on the mechanism, advantages, fee structure, and database for the affiliate membership. Why join? How do you join? Who are members?
- Program:** These committees help identify topics and venues for AaEA events. *Please select the program committee(s) on which you would like to serve.*
 - New Evaluators:** This group includes students and others who are new to the field of evaluation. The group organizes the evaluation 101 training provided in the fall.
 - Training:** This committee focuses on ways to bring new evaluators into the field and to support and stimulate the development of practicing evaluators.
 - Networking:** This committee provides networking opportunities to support practicing evaluators and enhance professional practice.

How many years have you been in the evaluation profession? _____ years

How did you hear about us?
(Check all that apply)

- A colleague
- One of my professors
- Affiliate link from AEA website
- Other: _____

Can we share your contact information with the AaEA membership via a member directory?
 Yes No
